Circular Memo No. CE (Comml)/SE(C)/DE(EoDB)/ADE-EoDB/D.No. ^{u60u} /24, Dt. 1-07-2025

Sub: CE/Commercial/TGSPDCL– Ease of Doing Business Reforms - Online
Dashboard development for Temporary Electricity Connection –Regarding

Ref: Business Reforms Action Plan *Plus* - 2024 released by The Department for
Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and
Industry, Gov. of India

<<<<>>

In compliance with the Ease of Doing Business (EoDB), the DPIIT has mandated in Business Reforms Action Plan *Plus* 2024 that the Telangana Southern Power Distribution Company Limited (TGSPDCL) has to Design and develop an online system for obtaining temporary electricity connection that allow online application submission, payment, and status tracking, eliminating the need for physical document submission. All applications for this service must be mandated to be submitted online. **(Reform No. 316)**

Accordingly, an online system is already available for obtaining temporary electricity connection that allow online application submission, payment, and status tracking, eliminating the need for physical document submission in the TGSPDCL Web-portal (<https://tgsouthernpower.org/>)
